De Gavers is a campsite near the city of Geraardsbergen, East Flanders, located by a lake and recreational pond. De Gavers has lots of trees, emerald green grass and a small sandy beach and numerous recreational and sporting facilities.

The camphouse is an authentic 17th century farmstead that was completely renovated into a cosy and comfortable youth hostel. Participants will share rooms.

The program will be a mixture of getting to discover Belgium and Luxembourg during visits to its main cities (a.o. Ghent, Bruges, Brussels, Luxembourg, ..) and places (Flanders Fields, Sea side, Ghent Festival, ... ) and sportive activities and games.
